 - CUSTOMER HISTORY
- EXCEL FROMAT CONVERSION TO CUSTOMIZE REPORTS

Dear Distributors,

Now give your customers the ability to upload their purchases into their EZInstant+ program while you increase your sales through *EZInstant Distributor Lite*.

EZInstant Distributor Lite is an Instant Ticket and Bingo Product program designed to assist you with your inventory and sale. No more handwritten invoices, searching for customer information and past invoices in files, or trying to gather sales tax information for State reporting. It reduces the repetitious entries of spread sheets for company records.

Customer History

Customer Name	Invoice Date	Invoice#	Bingo	Instants	Miscellaneous	Sales Tax	Total
